None.

3. Minutes

The minutes of the meeting held on Tuesday 21st February 2017 were approved, and signed by the Chair.

4. Reports from Work Groups

Volunteers were meeting regularly to do litter picking and weeding. A request had been received for signage on Dumore Hay Lane, to remind dog owners to use the litter bins provided. This could also be publicised in the Link magazine. Work would be required to reinstate saplings which had been blown over at Watersmeet.

5. Bovis Homes

Cllr Wilcox had been corresponding with Bovis Homes about the maintenance of the piece of land on Common Lane. The fence needed repairing and there were concerns that travellers might use the site.

6. Village Maps

The maps were ready to display in notice boards and send off to enter the BKV competition. Quotes would be obtained to replace the notice board at the Post Office, as the judges tended to comment on the condition of the existing one.

7. Village Signs

No reply had been received from RAF Museum Cosford. The History Society had confirmed that Wellington Bombers and Hawker Typhoons were the main aircraft used at Fradley Airfield. It was suggested to ask the suppliers to provide a picture of the sign with images such as the RAF Logo.

8. Fradley Park Development

At the next meeting on 23rd March, it might be possible to find out when new bins would be provided by Legal and General.

**9. The next meeting would be at 6:30pm on Tuesday 18th April 2017 in Fradley Village Hall.
